

REMARKS/ARGUMENTS

Claims 1, 2, 5, 6, 11, 13, 14, 15 and 17 have been amended and claims 4 and 12 have been cancelled without prejudice or disclaimer. No new matter has been added. Claims 1-3, 5-11 and 13-20 remain in the application. Applicants respectfully request reconsideration of this application

Allowable Subject Matter:

Claims 4-7 and 12-18 were objected to as being dependent upon a rejected base claim, but deemed allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claim 1 has been amended to incorporate the elements of claim 4, now canceled. Claims 5 and 6 were amended to correct for antecedent basis. Claims 2-3 and 5-10 provide further limitations to an allowable claim 1 and hence are also in condition for allowance.

Claim 12 has been canceled and its elements incorporated into independent claim 11. Hence, claim 11 is now in condition for allowance. The dependencies of claims 13, 14, 15 have been modified to depend on amended claim 11. Claims 13-16 and 19-20 provide further limitations to an allowable claim 11 and hence are also in condition for allowance.

Claim 17 has been amended to incorporate the element of claim 11 (as originally filed). Claim 17 is now in condition for allowance. Claim 18 provides further limitations to an allowable claim and hence is also in condition for allowance.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless Applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.

The Applicants believe that the subject application, as amended, is in condition for allowance. Such action is earnestly solicited by the Applicants.

In the event that the Examiner deems the present application non-allowable, it is requested that the Examiner telephone the Applicant's attorney or agent at the number indicated below so that the prosecution of the present case may be advanced by the clarification of any continuing rejection.

The Commissioner is hereby authorized to charge Deposit Account 502117, Motorola, Inc, with any fees which may be required in the prosecution of this application.

Respectfully submitted,

August 7, 2007
